

Coaching for Leaders

An exceptional 2 day leadership development programme in Singapore

19 – 20 May 2010, Royal Plaza @ Scotts, Singapore

Build a coaching culture within your organisation to achieve high employee engagement and retain your top talent.

Workshop Content

- Study models for performance and development coaching that help solve employee performance challenges, goal achievement and development needs.
- Discover and apply the NoLimits 5 step coaching process to give structure to your coaching conversations.
- Learn to use coaching to accelerate progress towards individual, team and organisational goals.
- Understand the power of questioning techniques to generate solutions.
- Apply techniques that enable ownership and follow through of development actions by your team members.
- Learn how to build an open environment of trust and mutual development.
- Acquire and practise coaching skills and techniques to understand what motivates and drives the members of your team.

What people have said about this programme:

“Coaching for Leaders is simply brilliant. It’s very practical, useful and simple to use”

~ Adrian Tan, Operations Team Leader, Shell ~

“Great course that is directly applicable and employable at work and at home”

~ Neil van Heerden, Director Pricing, American Express ~

"Excellent mix of principle and application. Lots of opportunity to practice with real life examples, relevant case studies and role plays. The great workshop facilitation encouraged participation from the whole group which added to my learning experience."

~ Claire Koch, Regional Research Director, Insight Asia~

COACHING IS A POWERFUL TOOL TO ACCELERATE THE PERFORMANCE OF SUCCESSFUL EXECUTIVES AND THEIR COMPANIES

Leaders will discover how to get the best performance out of their teams and the individuals who work for them.

By building core organisational skills, leaders will become highly effective in creating improved performance, engagement, results and talent retention.

This 2 day workshop can also be tailored and run exclusively for your organisation, department or team.
